

ADITYA AGARWAL

Kankinara – 743126, Kolkata, WB | +91 8981597540 | adiagarwal555@gmail.com

PROFILE

Ambitious Computer Science student with a solid background in programming, web development and Android app development. Interested in learning the MERN stack and incorporating Artificial Intelligence into web-based applications. Interested in exploring Machine Learning, focusing on image recognition and computer vision projects. Fast learner with problem solving abilities, willing to implement knowledge in real world projects and develop further in MERN stack development and AI based applications.

PROJECT

Invoice Renamer — AI-Powered SaaS Web Application | 2025 [GitHub Link] | [Live Demo]

Full-stack SaaS application that automatically renames invoice images and scanned PDFs using OCR and a local LLM. Built entirely from scratch with no prior MERN experience.

Tech: React, Node.js, Express, MongoDB, PaddleOCR, OpenCV, Llama 3.1 8B, Google OAuth 2.0, JWT, Passport.js

- Integrated PaddleOCR (PP-OCRv5) with a custom OpenCV preprocessing pipeline for text extraction from invoices
- Built a credit-based usage system with real-time processing progress, job cancellation, and automatic credit refunds
- Implemented Google OAuth 2.0 authentication with JWT in HTTP-only cookies and an admin panel for user management
- Applied production-grade security — Helmet.js, rate limiting, magic byte file verification, and CORS whitelisting

SKILLS

- Programming Languages – C, Java, Python
- Concepts – Data Structure & Algorithms (DSA), Object Oriented Programming (OOP)
- Web Development – HTML, CSS, JavaScript, MERN Stack
- Others – Problem Solving, Quick Learner, Team Work, Communication

EDUCATION

- Narula Institute of Technology, Agarpara, Kolkata, WB
B.Tech in Computer Science and Technology, 2023-2027
- Douglas Memorial Higher Secondary School, Barrackpore, Kolkata, WB
2021 - Class 12 (Science, ISC) - 88%
2019 – Class 10 (Science, ICSE) - 85%

CERTIFICATIONS

- Android Application Development | ARDENT COMPUTECH PVT LTD
Issued Feb 2025
- Programming in Java | NPTEL | IIT Kharagpur
Issued Oct 2025
